

30 Mar - T

Was busy most of the day, mainly on items for Maggie - Dor had me wh on the tray on the AT5 computer as she had to see my + w - I did one item for Carolyn Thon from her handwriting on a proposed Sen bill to penalize firms which partic in boycott of Israel - I made copy for Tim - in the aft had diffie job for Maggie which presented indentation & underlining probs

Had little time for pers wh - mailed a check to Coop Co Union

Called Lor - find she was in class all morn

Hail Carney<sup>s</sup> told me her husb is taking a job in Boise, Idaho - they will be leaving on 15 Apr - (he is a systems analyst) - Hartsough has not asked me to do any overtime last wh nor this wh

At noon saw the film on the Employee's series, which was about an experimentat proj to explore the feasibility of piping

out from Creston Bay to Edmonton, Can -  
it was very short & I ate my lunch  
in the Assembly Rm - then the  
short walk - The day was sunny &  
warm tho w/ some wind

My head cold was worse & my  
throat loise today - the more I  
told Doc I might not be in in the  
morn.

Did not exercise when I got home

Slept hr & a half

Called Lou - to my surprise Dgt Ryan -  
she is taking a wk off, as they had  
problems w/ the thesis. - I told Ryan I  
planned to come over to see her on  
F - she called me bk & sd they  
were too busy

Prepared dinner, ate, & washed dishes

Washed underwear for an hr or  
so

Took my bath, rd July 95 quilt  
entries to deteron any problems

For a snack while rdng the map  
I had some veg juice w/ unflavored  
gelatin - my wt has not gone down &  
I have decided I must control my diet

30 Mar - T-2  
more rigorously - I weighed 137 this  
morning

News rpts told of strike of munitions  
workers at midnight - I was being  
picketed & is not operating

Went to bed at 3<sup>00</sup>, setting alarm  
for 7<sup>30</sup>, and planned to stay out until  
noon
