

31 Mar - W

Electric confirmed that Thurni not running - weather was drizzly - I phoned Don at 8¹⁰ & we agreed that I wd take the whole day off, as I have no way to get to wh in the aft

The sun came out shortly

I wrote up jinal entries for last 2 days

Got some grapefruit & toast w/turner

Bot a nap

X Typed in my jinal, starting the next section, 1-15 July 75

11:30 I used the other half of the box of bread mix I had bit on sale at the Coop - put the bread to rise - I also put a casserole w/eggplant in the oven to cook - baked the bread aft it had risen!

Ate dinner ^{about 2} having some of the newly baked bread, & washed dishes

Ran in the Panhandle for fifteen mins - the sun was out, but it was quite windy

Slept for a little over an hr

Had a sup - boiled egg, a tomato & a piece of papaya

Brother Jarvis came for the Christmas,

Magnum & me to take us to serv
about 7:30 - I had espere my movie
cameras to turn over to the Te (an
announcement had been made that we
were to turn in all cameras) & the
latest grid section to give to Tim
Shen plus some other materials for him

The Congress was unusually noisy
during the arrangements for rides &
announcements

Lee Ingram announced that from the
Te map, The Peoples Forum, will be distrib-
teenagers, h.s. & colleges, are cleared to
stay out of sch, & adults not gainfully
employed will also be on this trip -
x 100,000 papers will be distrib in greater
Bay Area

I gave instrus. for behav on Sa - ^{women} columnist
will be here - if asked questi. dont define
relig beliefs or polit - we have been as
outraged to the regular ven - heron
Angels, made diffes for ~~Booker~~ - brother &
brother - in - low of W. Muhammad set-up
& put in jail - J's power & wisdom have us
for protected us - dont give full name - go
stroke may take head off us & is excuse to
disrupt & bring milit. in - decompensize
relig & boaling - dont call J God - Liberator

31 Dec - W-2

... that ... don't get stuck w/ who
commune + revolution - the rich want to break
this power used for the poor

The unions are beginning to see the
truth - Teachers are mad w/ leadership

Don't be paralyzed by anything that happens - go
out by 2's, scatter - follow orders of them, Bayard,
Helen Brown - he was for sealed instructions if
anything happened to him
Clap for the leader - you're not doing me any
good - you're saving yourself + yr child!

The press in med. of Angeles just showed ... to colors
as instr. of capitalism

Debarney ... was entered last week, broken up
I rehearsed pro guests + ans - blessed from
dead? - lie per some that that might dead -
don't call me no Jesus - I'll shag you in the
fuckin' mouth

ky: I'd like we shd help all people who are being
persecuted for their polit. beliefs
X Angeles communit? - In for all forms of X

I weighed up those who are our word
enemies, those who go out from us, they do
us more harm than the CIA ever could -
he insisted that we shd never forget them
Def feelings, I had the congress come
up to the altar - the thing was over

about 10⁰⁰

Bro. Jarris th us home

Did for an hr - went to bed
at 230

11² To Dor I had mentioned the possibility
of getting a ride to wh of Betty Barclay -
Dor spoke to Betty who called me &
arranged to pick me up tom //

11³ J gave us some details on the enemy reporter
who will be here Sat - she ^{his} blonde, ^{hand} ^{to} ^{the} ^{southern}
- he arranged for a friendly reporter to be here
also, he will write a supportive story if
she attacks us - ~~to avoid a~~ ~~an~~ ~~in~~ ~~ter-~~
~~vening~~, not to retaliate, avoid express demonstra-
tion, stand for no one but our leader //
