

1 Mar - M

Dorothy was back but she didn't feel very well all day - she seemed quite pleased at the way in which I had carried on in her absence & that there was no backlog of work.

I spent a good part of the day on Carl's workload, putting it on the AFS computer & running off a copy.

At lunch time I attended Weight Watchers w/ Mary Cochran, although I didn't think I wd attend more than once - I wanted to get their menu suggestions - they charge \$2 for each meeting (Bechtel pays a dollar) & a \$4 regis fee - each person was weighed, then there was disc on people's problems in staying w/ the diet. about 12 women were present - Mary isn't following their diet exactly tho she has to consider it.

Tom I rec'd a note from Dor end. some doc she wants me to sign by
