

10 Mar - W

Slipped a little later this morn. as I didn't have to find up a lunch & decided to have only grapefruit for breakfast - cause I wd be having a big meal at lunch

The weather was cold & overcast w/ rain threatening all day

This morn. I had no work to do & the off. was peaceful - I made yest's grill entry - read off the list of Te commitment payments made - I have been keeping this since the Te. adopted the job of not having checks made payable to it, as I need an accurate record of my contribs - I then counted up on the list of few expenditures - Dor. is whining on the reports she's supposed to get in but she doesn't concentrate on them very well & frequently stops to converse - today she was complaining that she can't get close w/ the rpts because of interruptions - Bob & N. had suggested she might be able to work in an unoccupied off. & she might ask about this possibility.

Bob & C. Heill was working on a contract on the computer & was distressed when

Ward gave him another which had to be
put on the table today - I offered to do it &
Dor approved

Chas Smith brot in a draft of a
memo which he wanted done by he
left for the luncheon in honor of
Ralph Talbot & Tom Thomson, about twenty
mins - it was single-spaced, in
Teckon lang & I thought I would have diffi in
making it out, so I told him I could
do it but asked him to read it to
me while I th it down in shorthand -
I intended to miss the beginning of the
party which I didn't mind as they were
having drinks first

However Dor, who had been out of
the off ret'd, & Bob Orem came by asking
for Smith, as they wanted to go to the
party - Orem & Dor advised
Smith to let the memo wait until aft. lunch -
I asked if I could come in the tefi
w/ them

The luncheon was a Benihana of
Tokyo - Built for it, incl as many
drinks as people wanted - I had pine -
apple juice

In the banquet room we were seated

10 Nov - W-2

Facing each other & the cooks worked
in the center where we can see
them prepare the food - we had shrimp,
steak, mushrooms, squash, onions, bean
sprouts served w/ rice & sauces

Blum wine was served w/ whisky to toast
the honorees - Tom had already left
but Niece & Annie, who had made the
arrangements, put a teddy bear to stand
in for him - farewell gifts had been
provided - short speeches were made
incl. one by Rev. Hartsright who is
going to head Pelf's unit - the party

I walked down w/ Shirley to take
the theory bus back to work
over was at about 2:00

Don had not gone - her feet ^{are} giving
her trouble & she doesn't have a good pair
of shoes

I resumed work on Smith's memo -
he finished dictating it & I put it
on my CD - however I had diffic.
w/ it - after I had finished it he brought
it back w/ more changes - I was
frustrated, as I still had O'Neill's con-
tract to finish - however, he told me
tom would be all right for it, & I got
away from the office only fifteen mins
late
