

13 March - 5

The buses got into BW about 8 and we had a long break as repairs had to be made to one bus - it was a warm, sunny day

I ran, washed, ate my food - talked to Pat Keeler, formerly Elaine, about changing her name legally - she told me about her early life - she hated her father & mother, ran away from home, was committed by her mother to a mental hosp where she stayed from age 13 to 24, was mistreated by the black inmates which caused her to hate her own race - when she came to the TE she at first associated only w/whites until she realized she was the only black among 1st whites in a commune & saw the absurdity

Told few people about my name, incl. Joyce Shaw, Sharon Amos, Lisa Layton - Joyce that the slogan is very good - we also discussed the photo of the Wood Processing Co & Berko's alleged complicity w/ Arab. discrim.

Had the Marchetti & Marks bk on the CIA for about an hr

Spent the rest of the time until we arrived in L.A. - we stopped to fuel up the buses before going to the TE, the first time I have known them to do this

We were late - arrived 7:10

Beulah had <sup>inferred</sup> further tragic events  
w/ the Malone child - The 18 yr old  
had escaped from custody & come to  
her for refuge - she didn't have  
the heart to turn him in - she  
fed him & let him sleep in the  
garage, expecting the police to come  
for him any minute - they had an  
argument because he refused to walk  
& few books to the store - he left  
& very shortly the police phoned her  
they had picked him up for stealing -  
the fifteen yr old girl had become  
enraged w/ her mother & in the  
family's absence had smashed all  
the windows in the house - she was
