pers matters - I brot my jinkl

list of Jan & Feb expenditures
till lunch at my desk

Had called Joyce Rozynko about
the opening dress for the Te which she
sd she wd make for me if
I got the meter - she gave me the
pattern no & advice on the kind
of meter - Maggie suggested I go to
H. G. Fabrics, on the Emporium -
I th c bus up there - I brot 4 1/2
yds of 2 shades of blue acetate - #9 1/2

Don did some shopping too &
was later than I getting back - she

which I lost at the Te'll

In the late aft Ron Hertsough
came in to ask whether I wd
be willing to work overtime for him
on a reg basis as his secretary
Hail Lenny was not always available -
Dor told him we wd have to
consider the matter - she talked
to Betty Vcail who later came down
to see us - Betty sd she had
talked to Ron & told him such an
arrangement on a reg basis wd not
be approved, altho he cd use me
in an emergency - she sd he needs
to plan his schedule better & he
cd use recording equipm. to dictate
at hrs - Dor calls Hertsough a
"playboy" & I tht perhaps she had
had something more in mind w/
Hail, what might account for his
bad treatm of her when she
turned him down

At home I exercised

Prepared & ate dinner & washed
dishes

15 March M-3

Typed in my journal from 9³⁰ to
12⁰⁰

In spite of the sleep I had yesterday
on the bus I was exceptionally tired
& my ankles are still swollen - I believe
the reason was the long time I was
on my feet taking off my gear &
having no experience at the rest stops.
Red Ruzich for an hr.
Went to bed at 130.
