I didn't feel very well today +
think I might be coming down w/ the
flu, as my stomach was giving me
some trouble - however, it was more
likely I was still suffering the results
of not having enough exercise on the
weekend + my stomach pain was
probably caused by eating the confer-
ence given me yesterday

In the apt under Bob's direction put
an attachment to a contract for Hittin
in which some complex tabulating had
to be worked out

Paul Carney came in to tell me Rev
Hartough was expecting me to visit for
him too - I told her to tell him
I know I wasn't feeling well + wanted to
go home - Rev. Edwards said how
