

22 March - M

In the morn. we didn't have much work - I finished up loose ends on my F & S girl entries & started to put the SW entry on my Cd X. Tried to call Lor at her office, she wasn't in, so I tried her home, as I know Dym was expected this week - Dym answered the phone -

11/2 As Karen's job, the receptionist, is filling in for Annie Tridong as Mr. Johnson's secretary for a few days, Betty Vasil asked me to sit at the telephones for an hour or so before lunch //

When calls I had a conversation with her - she has a draft of her Ph.D. thesis which Lor is going to help her edit. This week which is her spring vacation - Today Lor was out with her 2 grandchild. When she is taking care

of for Roudel - I told Ryan of my  
work assignment, my raise, & of the  
weekend at the T2 - I am to go  
over for dinner the eve

The secty spent to take noon duty  
on the telephones had not been informed,  
so I stayed & answd them - ate  
my lunch & rd the paper.

Maggie brnt in a revision of a  
Bechtel instruct which had to be  
put on the CA as a draft - when  
approved it is for Cap'n Weinberger's  
signature - a very strict form has  
to be followed & it involved the  
use of sev. techniques I have not  
mastered, so I had a great deal  
of diffie w/it.

Was fifteen mins late leaving the  
off

Exercised

Prepared dinner, etc, & washed  
dishes - had mostly leftovers so  
was through early.

Typed in my final form & 50  
until 11:30 - did 6 pp.
