Typed a 2-page for Maggie putting

The memo I had drafted yesterday was  
not what I had in mind -  
Don showed me how to make the more  
difficult ones; nevertheless I had some  
difficult ones; however, the memo had very  
good when finished - I worked on  
it until the test was on the writing day  
late lunch at my desk

Walked down to a variety store  
on Market when I turned in a coupon  
for a free box of candy which I ate  
I worked a little on final entries  
When I got home, I finished  
parking

Prepared dinner, etc

Paid up books for Tom & Tom's mom

Magnolia called me that Marshall  
Farris was coming for us at 7:30 - As I  
left the dishes, dressed & walked  
up to Magnolia's - Brother Farris took
