w/ me the Crop Newsletter, as Vern is interested in their bargain prices - I hoped that they would want to drive there tomorrow & let me give me a ride - in that case I probably would not need a car - Vern decided they could not go, as I had stressed participating in a march & rally for Dennis Banks at Civic Center, starting at 11⁰⁰ - since I could go directly to Civic Center at 1⁰⁰ - I had an argument w/ Vern about whether I ought to go or not - I claimed I did not have time, as I had to buy groceries & clean my apt for guests - also, I had ^{been} just been giving me a table - she finally said it was not for her to judge how much anyone could do

I prepared a meal, ate, washed dishes

Typed in my journal from 10⁰⁰ to 12⁰⁰
Slept until 11³⁰, when I went to bed
