

Cathy Brannan 13 Apr - F

Got getting my time cd in, I did
not have a minute to myself all day etc.
at lunch - I spent the greatest amount of
time on Maggie's proj. and rep. concerning
engineers' work in the various states -
did a draft for Carolyn Thum on proposed
legis. to prevent discrim. in foreign assist.
programs, the same dictation from John
Brannan on a patent matter & prepared
x a 7 page agreement w/ Chuck Hedeman's
secretary

Ate lunch on the B&E steps, then
sat in the sun w/o my glasses so as
to get the sun which was warm

Betty did not go apt. until
about 5:30 - while waiting I mentioned
Betty's income tax problems to Dorothy,
and she was not very sympathetic - she
used to sit on her & heard her on the
Teleph. thought she had had mind too
much on property & was interested in
getting as much as she cd from her
ex-husb

Betty meant to go on the freeway &
to it at Dell St, as she has been
doing lately, but she made a mist. &
we had to go around by Monterey - she
stopped at her house to get her mail
& showed me what she had moved
in to cook room - then she drove me
home by way of Laguna Honda & Lincoln
Way - I got home at 6:30.

I finished packing - checked food &
etc & dressed - had to leave the
dishes

Bob Christians phoned me that his
car was being used at the ch, that Bro.
Jerris was giving us a ride - I hurried
& was ready to go w/ them at about 7:40 -
I th. along w/ my luggage a can of apple
juice to give for the ch. trip - supplies
were requested on the msg last night

Not many seemed to be in serv
ton

Jon podium at 9:10 - led us in
congreg. singing

4th offering - his words were inspira-
tional.

Everyone is expected to del. mps - we

are giving them help food to start with, but later on the fare will be stronger

Capital at the organizing of black workers in Detroit was shown - the sound was not very clear

John Clark was found Tom Hayden - J: better than Tenny but you can't depend on tradit w/rd parties

② the man who wanted to ask about watch craft when the reporter was here, tried again - J stopped him, ^{arranged at having tried twice to get him} - remarks a "stupid reply"

③ possible of coalition between black & white workers & J: not much help but if they get their heads beaten in by ^{it will help} - the only way for the workers to win is to welcome them

④ Jerry Clark asked about it, met about Ford being stupid - J sd he doesn't have a very good memory but that the Amer people don't have a very good memory - red - betting is a real danger - cited Rocky, says the Johnson's staff members

of the party

being a Com - Reagan's charge that Ford
was a communist - I cannot see an
orderly transition to me, in this city
even if the people were united -

You have no choice - Clean -
Patty Hearst aren't safe - Ch. now
in jail tho he sold out

⑤ Prog Lab Party sincere? - J:

Take w/ all these parties they unwilling
to follow one leader - got 40 dif.
ways - we have been more successful
than any of them - got out many more
polit. prisoners - socialist unwilling
to face defeat - my adv to tell people
Amer. is due to become soc - they
have to have an alternative - that's
why I built a p.l. - some want wh
in the church - while the ch is the
obv. place to work - the leadership
is always an end ego trip - they won't
separate th selves from the lure of capitalism
- some of you are wearing diamonds -
some of you still smoke - don't trust
anyone who can't stop smoking - some
of you wd sell out if you had sex for
2 days - be spide of talk writing - I'd die
damn bet'd in here who can't even love

whether mouth wired shut - he talked of
ref - I don't trust anybody to push
bring the money back etc me

Last night Mayor Shales, Sheriff
here talking about how good JJ is - got it
on the record - Sheriff wrote away -
his life is empty - why I turned down
Hun. Pts Com fed - they just talk - want
Planning Com a Air Force Com - get job for
you -

Talked about Core Club revolutionaries -
why did my older people get to jail as a result
of being good for mother, mother fathers -

There are ref - what woman has - man
can't think about it + working at some time

in your + my - bel. in God -
Table of Blacks - "God must not like me"
- "Why does this happen to me?" -

got to get God out of their minds - the
Almighty did have kept his dials in his
drawers - they're letting all those god-

down gun come over here from China. Teach
there is no reality - matter doesn't exist -

|| ↓ I explain how he got politicians to talk about
JJ - use it on TV when the rep attacks -
they that they'd talk about Commun. profs || 8 (80)

(2-48 (80))

On the Bible - portion - went through
creation story, pointing out its absurdity -
suggested he had 15 next people - hadn't
taught them for who - some here think
Jesus is coming, say "pray for me"

At a healing session I dismissed
the meeting at about 1:00 o'clock

We were delayed a long time as the
buses were blocked in the parking
lot - when No. 3 did get out, it was
driven up in a dirt place then would
I was late in getting on - young people
had already boarded & since there was
a huge crowd because of the demand
that everyone not working should go to L.A. I
had a hard time getting a seat -
Marie Lawrence displaced a young person
next to her - thus the relationship
between us was improved

When people were settled on the bus,
I got off & ate my lunch

The buses did not leave until 4:00
