

3 Aug - Th

apt. I had I left my sandals for repair -  
stopped to inquire about my laundry - it wasn't  
ready yet but I had reason to fear there may  
another mix-up.

Went to the libr. & th notes on the news because  
I had my commentary this apt by the Med Dept -  
11/2 from Fr. Teresa's Wh!!  
was home late - have been trying to get a morn.  
free for jmt typing but sthng dead is always coming  
up I sthng in my adult lib records & corrected  
spelling papers from the last test

Went to lunch - I saw Frances Johnson in  
passing - we had only an oppor. to greet each other  
& went to adult class - pushed out hrs for a riding  
lesson for all, apt a class disc on our African  
map, pig - we also had sev new people to whom  
I had suggested my class - Lois told me she had  
11/2 The results of the news test have been posted -  
a larger no than bef. made "Excellent - plus" &  
fewer failed, so I concluded the new system is  
working - John's scores were not posted but  
Tr told me I made Excellent - plus!!

Libid for me this morn to coordinate our  
activities - she wanted to give definitions of terms  
used in the news - apt we had had disc on  
steps we need to take to make our map & had  
some nominees for certain jobs to be done,  
which I accepted, I allowed Lois to conduct the  
class session on the definitions - we  
didn't get to the riding - a heavy downpour

caused further problems - people had to move, (who)  
were near the edge the who had to be collected  
to keep them from getting wet & on account of the  
rain many did not hear - in all fairness, the  
definition proj was prep, the many did not - I  
stayed some time discussing ideas w/ Lois about  
conducting the class.

I went by to pick up from Joyce I had the  
African map she made for me - she has not  
had time to finish maps of Europe and South Amer  
she started & I want to see whether the African  
map can be used as a model for our proj. - I  
had to hurry to the cottage to prepare for my final  
test appearance - it went smoothly & I gave them  
the bonus questions we are to be tested on &  
seemingly & then talked about the worst danger  
spots of the world

The my shower

Spent a little more time on the spelling exercise  
of my adult class

Had Terese on the path & she made a proposal  
to me concerning a preparation of some items for  
the adults in simple lang - this cd be typed  
(by Vernette) on a big type t.w. - her idea was to  
have me select & ~~type~~ translate the items - I  
thought this a good idea the evening after wh,  
& sd I wd disc it w/ Lois thinking she wd  
approve - I had in mind at first taking  
the items down from the tapes as I do now I  
Had dinner

Went to the pavilion & tried to take down  
the news from Jo's newspaper - the first time  
I had heard it - had diffi getting the

ideas down & I despaired of getting my notes for the new summary from this source - later I spoke to Teresi about it & she sd she had to hear the tape several times - that being the case I told her I'd prob have to wait until I had her notes, we can't hope to put notes out fast - I suggested once a wk as a start

Soc Tchrs met but not many came - we were to make arrangements for 4 nights after classes - I felt & told Debbie it is unfair that the same Tchrs have to take the after classes all the time, besides I had to be home to see my needs worker - Debbie allowed me to go

Had an oppo to talk to Lois again about the simplified newsletter - aft a few remarks in the 11<sup>th</sup> when I saw Lois I explained Teresi's proposal for having a simplified news summary for those who can't read well - she was quite vehemently agst the idea - she bels people will learn the hard wds if they have to - she thot the simplified version of the news was to be put on the board, which Teresi hadnt mentioned, altho I think one or 2 boards w/ easy mater wd be advan - Teresi's W//

some vein she had taken prevly, she backed down - I wasn't sure why

The needs workers came shortly after I got home - they saw Louis too - they were young people - they asked to see the items we already had of the requested category - they gave no indic. of what the decision decision wd be - aft they had

C-3-A-1 (12)

gone I spent the rest of the evening sewing  
I didn't realize that they had come home  
from the off sick & just to bed - some <sup>young</sup> people  
coming into the cottage were noisy & I  
requested consideration but to no avail -  
the worst offender was Lorraine Evans - Chankin  
came in to talk to Jay for a while - when  
11<sup>00</sup> came I did my best to get visitors out &  
the residents quiet & it had succeeded but  
not by Jay told them how inconsiderate she  
that they were - Linn was there but she  
did not do anything to help

I was so disturbed myself that I took a  
long time to get to sleep - I was awakened by  
somebody at 3<sup>30</sup> went to the toilet - Jay &  
Estelle were talking which caused me another  
wakeful period
