

7 Aug - M

At the ~~my~~ adult class I called the roll & filled in the missing info on each student; age, how much schooling, any phys. conds. which interfere w/ learning - I offered to the class our plan to break it into 2 groups more or less accor to abil, that I wd take beginners & those w/ reading abil. to about the 3rd or 4th grade level & concentrate on lang skills - Lois wd take the more advanced readers & concentrate on the news - I emphasized that the final choice is up to the individ - each is free to join the class which he or she feels will do him the most good. - I told them of Carolyn Layton's request for meter for the Westtown exhibition, that we wd try to finish the quilted map in time - Lois then cont'd w/ disc on the news

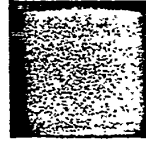

Vermette Chr. asked me whether she cd borrow my t. w. as hers is out of order - Mike Lund, who repairs twos, has been on PSH - his release had been obtained yed to work on the twos in the off in Dites' cottage but there is a more serious probl. w/ V's t. w. - I told her I had promised Terese to get some news written up for our large type edition - she picked up the t. w. & arranged to bring it back to me this aft about 3⁰⁰ //

Th my shower

Vermette did not come w/ the t. w. at 3⁰⁰
