

copy again from 9 Aug - W
notes

We were to have a very late morn. today:
sleeping until 10⁰⁰, and ~~thought~~ wd not be
awake until 10³⁰ - however, I was awakened
by a man who was discussing hrs of wh is/
Laws rights at my head - I thought it was Hue
Fortson but perhaps it was not - aft last night's
disturbances, I had had only 2 1/2 hrs of sleep
X I had ~~thought~~ about 11⁰⁰

W sewed for an hr or so - went to the library
& rd news items on the boards

Finished the draft of the simplified news,
gave it to Vernetta who was in the library

Troop asked whether he cd borrow my t.w. -
Frank's Johnson is using his - I think she is
typing Eggy, which is to be given to the author
by "The Parolay Views" when arrives - his
plans are to write a bk about Jonestown &
numerous people are gathering mater. for him -
Mike Prokes & Don Jackson were taking pictures
the other day - Ted wants to use my t.w. while
his own is in use - he will use it afternoons &
nights & he sd he wd ret. my t.w. by
morning so that I cd use it - I reluctantly
agreed

Had my adult class - I had the beginning readers
& others up to third or fourth grade level, Lois
th the more advanced readers & those particly
interested in news - I had w/ the beginning rds, who
(over) C-3-A-1 (31)

had ^{primers} ~~sch forms~~; the others rd bks of their own
choice

Had a shower

Listened to news in the parlor aft dinner

Extra psalms classes were held for those
who failed the test - I didn't have to teach.

Laura has moved to a new cottage, No. 10,
the same as mine - she & Phyllis will be in the
Cott - I can't use her bed in order to sew, so
I'm ^{get} ~~get~~

While cleaning out beh. the her bed, I discovered
a dead rat in the corner - the women present
acted hysterically - I told them I wd dispose of the
rat - I th him (or her) by the tail & find he was
not completely dead, had prob taken poison & was
perh dying dead night - I got a pail of water &
drowned him, then threw him down the toilet
