

6 Jan - F

Sandy Bradshaw called me to ask whether I cd be for Jonestown on M instead of W - I told her it would be difficult but I said I cd

I called Soc Sec to inform them of my change of address - when they learned I was leaving the country they said I would have to come in personally - I plan to do this at the opening for on M

Later Sandy called & sd they were returning to the orig date

In the late aft I took the Miami to Loro for a last visit

We were alone - we had dinner & talked

I slept in the rm at the top of the stairs
