

7 Jan - 5

I was up at 8:00 - Lor did not get up until 2 hrs later approx.

I had <sup>from</sup> a science fiction bk she had which contained stories involving extra-sensory perception which the editor sd were scarce as people did not want to deal with the potentialities of this sub.

When Lor got up we had orange juice + toast

I gave Lor the check representing Betty's gift which she wanted Lor to keep for me in case I needed it in the future - it was \$62 and Lor sd she wd add it to the account in which she already has \$50 I gave her to send me ltr

Lor + I talked, esp. about Doris fear Jim

I left about 2:00 - Lor went w/ me to the bus + we sd a last goodbye

At West Portal I made some purchases in drug stores

At home at 4:00. Manda had been getting nervous wondering where I was - she told me both Josie + I in needed new dentures b/c they col to gettin
