Our members went to the Martin  
Luther King Jr birthday commemoration  
at the Third Baptist Ch. - the buses tk  
us to the Parkside from where we  
marched to the church on McAllister St.,  
about 9 blocks - there were no mules -  
I was told they couldn't get the mules -  
very few besides Te members were in  
the march - we had a few banners -  
a gay man outsider carried a poster  
denouncing Andrew Young

arrival for the TV cameras, left soon after  
the start of the event pleading another

staying awake - no mention was  
made at all of the Te Tho on Public.  
off printed the programs

He ret'd home on the buses - a chicken  
dinner was served

He had a short eve serv, in which  
He discussed the aft's events - the  
contrast thru last yr's celebration of  
King's birthday held at the Te was  
glaring - contrast feeling in the city has  
led to its being almost ignored
