

using the new watering system.

Most of the people here are engaged in procuring foodstuffs & other items.

I lay down on the couch but didn't sleep.

For dinner we had fish.

We had a meeting after dinner - news - comers told of their last exp. in States which made them glad to be here - we discussed the tasks which should be done - Sharonda will take stool tests in to the Health Off - Sharon will meet w/ god's people & she & others will be on the radio - other jobs which were assigned were: cleaning the garage, cleaning & watering the yard, sweeping & mopping the floors, cooking & washing dishes, watching the child, putting provisions on the boat.

A film had been obtained which we saw, "A Day You Can See Forever" w/ Barbra Streisand & Yves Montand - we had coffee, Pepsi & fried sweet cassava which is like potato chips.

Got up at 7⁰⁰

I helped w/ the dishes - Jewel W. Linn
has taken chge of the kitchen, since Brian
Swiney broke her arm - I had
argued w/ her as she is very domineering
Washed my hair

I peeled endives & sweet cassava w/ Pauline
Smith - she arrived in Dec, is studying
in Georgetown for med tests - she has the

Sharon & others explnd to us that govt
officials have an easy-going attit - a phrase
which everyone uses, a calmer of much
laughter, is "just now," which means the
next day, next wk, or next mo, anything
but "now!!"

New arrivals were taken to see the
Botanical Gardens & the Zoo in the early aft. -
Jewel & Rosewell didn't go - the 2 babies
were taken & gave us trouble because they
got tired & were thirsty - water was not
easily available tho we were finally given
some - we saw some distinctive
brightly colored birds & some common
monkeys - the zoo also has a pr of lions,
an elephant & sev other animals - we were
shown where the manatee is in the pond,
but it did not surface

I had a nap
