

20 Jan - F

Got up at 7⁰⁰

Had breakfast

I helped w/ the dishes - Jewel W. Linn
has taken chge of the kitchen, since Brian
Swiney broke her arm - I had
argued w/ her as she is very domineering
Washed my hair

I peeled endives & sweet cassava w/ Pauline
Smith - she arrived in Dec, is studying
in Georgetown for med tests - she has the
blood card.

Sharon & others explained to us that govt
officials have an easy-going attit - a phrase
which everyone uses, a calmer of much
laughter, is "just now," which means the
next day, next wk, or next mo, anything
but "now!!"

New arrivals were taken to see the
Botanical Gardens & the Zoo in the early aft. -
Jewel & Rosewell didn't go - the 2 babies
were taken & gave us trouble because they
got tired & were thirsty - water was not
easily available tho we were finally given
some - we saw some distinctive
brightly colored birds & some common
monkeys - the zoo also has a pr of lions,
an elephant & sev other animals - we were
shown where the manatee is in the pond,
but it did not surface

I had a nap
